

We've got you covered

Established in 2012, **Capricorn Insurance Services** leverages Capricorn's 50 plus years of experience working with automotive businesses. Running a business can be complex and risks can come from many places. We specialise in finding insurance solutions specifically fit for your industry and business. We understand your unique needs and trigger points and offer a tailored experience to suit.

Capricorn Insurance Services (ACN 154 801 377) (AFSL 435197) is a licensed insurance broker operating across Australia and is a wholly owned subsidiary of Capricorn Society Ltd. We have a team of representatives ready to assist you at any time. You can focus on your business, knowing that your business has the right insurance cover.

STEADFAST GROUP

The Steadfast Group is the largest general insurance broker network and the largest insurance underwriting agency. The Australian-owned company is now expanding operations to Asia and Europe.

NIBA

CIS provides services in accordance with the standards set out in the Insurance Brokers Code of Practice and the General Insurance Code of Practice.

OUR INSURANCE PARTNERS

All CIS products and services are fully backed by professional and established insurance companies and underwriters, ensuring that you can feel secure in the knowledge that CIS is capable of managing policies of most types and sizes. Our extensive network of partners includes, but is not limited to, the following companies.

KEY BENEFITS

- 50 years' specialist experience within the Australian automotive industry through the Capricorn Group.
- Capricorn is built on cooperative principles which means the interests of our Members are paramount.
- As a Steadfast partner we can find you the insurance you need at the right price.
- National network of Risk Account Managers delivering personal, face-to-face service.
- Experience across all classes of insurance.
- Extensive claims handling capabilities.
- Members earn Capricorn Rewards Points on premium payments made through your Capricorn Trade Account. Participation in the Capricorn Rewards scheme is subject to the Capricorn Rewards Terms and Conditions which can be found at cap.coop/tc
- Keep the benefits in automotive. Help Capricorn build a strong and sustainable motor trade industry.

INSURANCE YOU CAN TRUST

With Capricorn Insurance Services, you receive personalised service with your own Risk Account Manager. Capricorn Insurance Services is an experienced brokerage with a National Broker Manager based in Sydney, coupled with dedicated and experienced Account Executives throughout Australia, and claims and administrative staff based in our offices in Sydney and Perth. Connect with a specialist who knows and understands your business. We can also assist with the management and placement of risks as well as supporting you with claims handling, allowing you to focus more on your business.

TOGETHER WE'RE STRONGER

For 50 years the Capricorn Group has been bringing Members and Preferred Suppliers together in a unique trading community. Capricorn Society Ltd started out in 1974 as an organisation aligned to the automotive industry. Capricorn proudly operates under the principles of the International Cooperative Alliance to support over 30,000 Members and 2,000 Preferred Suppliers across Australia and New Zealand.

SPREAD YOUR PAYMENTS WITH PREMIUM FUNDING

Premium funding gives businesses the ability to pay their insurance premiums in regular instalments, rather than in one large lump sum payment. We can offer competitive rates through third party funders for premium funding finance.
